

# **City Manager's Committee on Construction and Demolition Material Recycling**

## **Meeting Schedule**

The City Manager's Committee on Construction and Demolition Material Recycling was established to assist City staff in the development of a construction and demolition waste recycling ordinance in response to state mandates. The committee consists of seven members, who represent the major stakeholders, including the public, developers, building contractors, waste haulers and the recycling community.

Committee meetings will be held in the auditorium of the Environmental Services Department's Ridgehaven "Green" Building, which is located at:

City of San Diego  
Environmental Services Department  
9601 Ridgehaven Court  
San Diego, CA 92123
